Director's Report

- Audio problem during BoS meeting was apparently due to partial equipment reset after a power outage. This only affected the live stream, VoD audio is fine. Rebooting the equipment solved the problem.
- Discussed impact ATC expansion will have on GTM. As currently proposed GTM will have TV studio and office space. Josh suggested conducting a January work session to discuss this in detail. The ATC expansion will be on the March school ballot, cost will be partially offset with a state grant.

Other

- Thanks to Dave for bringing in a little holiday swag.
