

# MILFORD OFFICE OF EMERGENCY MANAGEMENT

## 2015 Annual Report

---

**John J. Kelly Jr.**

**Director**

**Chief of Department**

### **DEPARTMENT OVERVIEW:**

The Milford Office of Emergency Management consists of the director and 11 dedicated volunteers. The office is responsible for the administration and implementation of the Town's Emergency Operations and Hazard Mitigation Plans.

The office also coordinates the responses to both natural and manmade disasters. The office is also responsible for ensuring our citizens are prepared for and educated as to what to expect during a disaster.

### **ACTIVITY LEVEL:**

2015 was a relatively calm year in regards to natural disasters in New Hampshire. The office still continues to stay ready for any type of emergency.

After over a year of research and planning with help from the Nashua Regional Planning Commission, the Town's Hazard Mitigation Plan has been updated and accepted by the Federal Emergency Management Agency.

Our Citizens Emergency Response Team (CERT) has 22 members ready to assist in support of any OEM function.

In closing I would like to thank our volunteers without whom the Office of Emergency Management would not be possible. I would also like to thank our citizens for their continued support.

Respectfully submitted,

John J. Kelly Jr.  
Director  
Chief of Department
