Call to Order:

Meeting called to order 6:05 PM

Minutes approved with corrections.

Mike was appointed to [NHCCM](#) board of directors.

Mike confirmed EZstream will allow two simultaneous uploads. Even though we are still finalizing the contract will be able to stream town and school deliberative sessions.

If testing is successful town and school deliberative sessions will be streamed live in addition to being broadcast on the government channel.

Mike is investigating streaming options to better serve small handheld devices. This represents an additional annual cost. At this time it is not clear if there is enough interest to warrant the expense.

Mike is evaluating a new speaker and amplifier system for Town Hall. Goal is to provide more uniform audio levels making it easier for everyone to hear the proceedings. Estimated cost is \$3,000.

Meet the candidates video will stream live with all seven major town candidates.

The January 26th Budget Advisory Committee ([BAC](#)) meeting was not broadcast as planned. GTM crew was asked to leave as meeting was declared a working session. We will work with BoS to better define which meetings will be broadcast/streamed going forward.

Upcoming Meeting:

3 March 2011 Library AV room

Adjourn:

Meeting adjourned 7:10 PM
