

Ambulance Building Committee – Minutes

Jan. 17, 2013

Location:

- Thursday, January 17, 2013, Ambulance Mtg. Room Town Hall , One Union Sq.

Time: 6:30 pm

Committee Members: Mark Fougere, BOS Rep., Bill Kokko, Steve Sareault, Kent Chappell, Kevin Drew, Eric Schelberg. Ex-officio Bill McKinney (Building Inspector) Eckman Construction

Approved Budget: \$2,214,000

- 1) Fire Alarm matter: A fire alarm system is not required by code, but Erik feels strongly that this should remain in the budget to protect the building. If both ambulances are on call, no one is in the building. A majority felt that the system should be installed, but we would review the cost when pricing comes in. Bill Kokko believes that if it is not required by code, it should not be installed.
- 2) Review bidders list. Reviewed the list provided by Eckman and made additions and deletions. Additional contractors who come to the Job Fair on Tuesday will go on the list. The project is going out to bid on Wednesday.
- 3) Clerk of the works. We have \$8,000 in this line item and will wait and see if this service is needed.
- 4) Other Issues?
- 5) Approve minutes

- 6) Future Considerations: Review material testing firms, Clerk of the Works, change orders process, save hitching post and granite foundation, plaque for committees,
