Dear Ms. Langdell:

Arrangements have been made for the Department to hold a Combined Public Officials/Public Informational Meeting. The project involves safety improvements along NH Route 101 from Wilton Road to the intersection of NH 101 and Elm Street. This project has been noted as a focus area within the overall Wilton-Bedford 13692 corridor. Historical properties may exist within the project area.

The meeting is scheduled for January 8, 2012, 7:00 PM at the Milford Town Hall, 1 Union Square, Milford, New Hampshire.

In anticipation that the Selectmen/Councilors, Planning Board and other municipal bodies will be in attendance, we suggest the meeting be posted to assure compliance with the State's Right to Know Law. In that regard, we have enclosed several notices of this meeting and would appreciate it if you would have them posted in prominent places in your Town to inform as many citizens as possible. We will also be advertising this meeting in the local, daily and weekly newspapers.

The purpose of this meeting is to initiate discussions and to gather public input in order to ensure that project decisions meet public transportation needs, community goals, and protect and enhance the environment. Accordingly, NHDOT assures that this project will be administered according to the requirements of Title VI of the Civil Rights Act of 1964 and all related statutes to ensure nondiscrimination.
