

Milford Recreation Commission

December 11th, 2013

Attendees

Walter Smith Claudia Lemaire Heather Romeri Scott Hembrow
Rick Mossey Joan Dargie

Appointments:

Janet Langdell- She has come to the commission to discuss the sign at Shepard Park recognizing the Hugo Trentini little league baseball field. The Rotarians of Milford would like to pay to have the sign repaired. The sign is peeling and illegible behind the fence. Classic signs will refurbish the sign and will rehang it appropriately. The commission fully supports and is grateful for the Rotarians generosity.

Heather makes a motion to accept the November minutes, Walter seconds, and a unanimous vote was made.

Agenda Items:

Field Fees- There has been much discussion on field fees and having organizations give in-kind service in lieu of payment. There has been a 20% non-waive-able portion to cover portable toilets, DPW trash removal, and administrative costs. **Rick makes a motion to leave the field fees as they were in 2013, Scott seconds, and a unanimous vote was made.**

Ice Rink- The warming hut /storage shed has been framed and is awaiting a roof. There was a setback in the size beams for the roof. By next week the correct beams will be available and the roof and remaining structure will soon follow. The shed/hut should be complete by Christmas. We will be setting up the rink on Saturday, December 14th at 9:00.

The winter fest will be January 18th, 11:00AM, at Shepard Park. Volunteers are needed to run the event.

The new recreation director (Arene Berry) comes to Milford with experience in Merrimack in sports/leisure activities as well as a degree in sports/fitness. Her jobs have ranged from teaching to administrative sports coordinating, and coaching. The new director will begin this Monday.
