Nicole Banks
Rick Mossey

Bill Parker
Joan Dargie

Appointments:

Michael Dargie- Eagle Scout (Michael Dargie) is looking to implement an Eagle Scout project at Keyes Field. The project entails putting in four granite benches and a storage container near the tennis courts at Keyes.

Bill Parker makes a motion to support the Eagle Scout project described, Walter seconds, a unanimous vote was made.

Rick Mossey- Rick gives the commission a mice meeting update regarding the ice rink. Phase two development is under way. The major changes include the purchase of a new snow blower, the ordering of light poles, and the modification of a hot water tank.

The town would love to offer hockey on the ice rink this season. The problem includes the safety of the sport and the citizens who may become injured playing at the rink. Hockey can potentially be played as pick-up games on Friday-Sunday nights, or from 6-8PM certain nights a week. More discussion is needed and rules need to be posted/implemented by members of the Mice Team. The rink is scheduled for installation on December 10th.

More volunteers are needed for the rink.

Bill makes a motion to approve Rick Mossey's phase two proposals, Claudia seconds, and a unanimous vote was made.

Director's Report:

Warrant Articles Recreation:

- Summer Band Concerts: \$9,000, maybe the item should be in the budget since it gets approved every year. Nicole will bring up the suggestion at the next budget committee meeting.
- Fireworks- \$8,500.00. The commission may decide to suggest a warrant article again to cover the cost.

Budget 2012

- Pool Pass fee increase proposal:
- The fee will be increased by \$5 per person (overall \$5,000) for the season.
