The applicant, Carolyn Magri Halstead, owner of Map 52, Lot 18-1, 365 Melendy Rd and NH Rte 13 South, in the Residence "R" district, is requesting a special exception from Article VI, Section 6.02.6:B to impact not more than 1,800SF of wetland buffer for the construction of a proposed driveway.

Case #13-11 minutes were approved and signed on November 17, 2011.

Kevin Johnson, Chairman, opened the meeting by stating that the hearings are held in accordance with the Town of Milford Zoning Ordinance and the applicable New Hampshire Statutes. He then introduced the Board. He stated that the only business before the board was a request to table the case that was scheduled for this meeting. He stated the Board had received an e-mail from the applicant requesting that the request for exception be re-scheduled since the applicant must go before the Conservation Commission again on August 11, so the applicant would like to re-schedule the ZBA hearing to September 1, 2011.

K. Johnson asked for a motion to table Case #13-11 to September 1, 2011. L. Horning motioned to postpone the case. S. Winder seconded the motion.

K. Johnson asked for a vote. Motion to approve postponement was unanimously approved.
