The applicant, Leroy Barr, owner of 247 Mile Slip Rd, Map 50, Lot 1, in the Residence "R" district, is requesting a Special Exception from Article V, Section 5.04.2A:15 to permit an Accessory Dwelling Unit (ADU) within the confines of the existing structure (tabled from 11/3/11).

The minutes of case #21-11 were approved on April 05, 2012.

Kevin Johnson, Chairman, stated that this case was an item of old business, a tabled request for a Special Exception. Since the applicant was not present this evening and no communications had been received from the applicant as to his questions and disposition, the Chairman would prefer to table this case to the next regularly scheduled meeting. He asked for a motion to table.

F. Seagroves made a motion to table.

S. Winder seconded the motion.

All voted in favor.

Chairman then noted a notation in the packet that the applicant had sent an e-mail requesting to withdraw this application. That being the case, F. Seagroves moved to withdraw his motion to table the case. S. Winder seconded.

K. Johnson asked for motion to accept the request to withdraw.

F. Seagroves made the motion. S. Winder seconded.

All voted in favor. The request to withdraw the application in Case #21-11 was unanimously approved.
