11 **1. (RSA 91-A:3, II(c)) Reputation** In summary, Healthtrust has advised us that our 2020 increase rates will
12 be increasing by 18.8%, there were 5 claims over \$150,000. We will be meeting with them on Friday to re-
13 view other options. If we don't like the options, we will be going out to bid.
14

15 Selectman Labonte asked what the Town pays for health insurance. Administrator Bender said 85/15. Se-
16 lectman Labonte said it's a bonus when you can go somewhere that pays some of your insurance. Adminis-
17 trator Bender said, and in reference to the buyout that we offer employees, if we can incent someone by go-
18 ing on their spouses insurance, we might get some people to take it. We pay 40% of the HMO single. If we
19 paid 40% of the actual premium, it might incent people to pursue an option.
