**Business:** Meeting called to order at 6:32 by Matt Lydon

Discussion around the future of the Pumpkin Festival. Wendy Hunt will not be running the festival this year, nor will MIT. Wade mentioned that he is working to form a group to put on the festival. He is also working with the Selectmen Fougere to be in contact with MIT for previous years information. There was discussion of adding 100k to the Town Operating budget for the Pumpkin Festival and then have this offset by revenues rather than be on the warrant. This did not seem, to the BAC, like the best option.

The remainder of the meeting was spent updating and finalizing the BAC write up for Deliberative Session.

Peg asked why the amount listed of Town operating budget from 2017 on BAC reports was not the same as what was listed on the MS636, a document signed by all of the BOS.

The next meeting will be Jan. 31 in the BOS meeting room.

The meeting was adjourned at 9:29pm.

Respectfully submitted by, Karen Mitchell, Secretary
