Item	Discussion	Who Will Do What
1. Meeting Minutes approval	July 2019 minutes was unanimously approved with a motion from Janet and seconded by Anita July 25 Work Session Report of NRI discussion was unanimously approved with a motion by Janet, seconded by Chris	
2. Hartshorn Mill Road Bridge/Culvert Repair	The MCC reviewed the wetland permit application submitted by the town to repair the Red-Listed Hartshorn Mill Road Bridge. There were no comments regarding the application.	Chris to send email to NHDES regarding no further comments from the MCC
3. 4 th Saturday hike	a. July 27 hike at Tucker Brook south of the Brook. Janet had a good hike with three others b. August 24 hike – Rail Trail Hike to start at the DPW trail head. Audrey to lead. Shuttle service to be arranged.	
4. Stone art on the trails	The MCC office received an email informing us that persons are erecting trail monuments. Particularly bothersome are the cairns that are appearing on top of signs at the Bartell Trail and Rail Trail junction in Brookline. After discussion, the Members agree to continue to monitor this activity to see how serious it is to the general enjoyment of the trails.	
5. Ian McSweeney and Food Security Conference	Several of the members had checked the links provided by Ian McSweeney, who is looking for a site for the annual Northeast Regional Gathering of US Food Sovereignty Alliance. We have partnered with Ian in past land transactions. The Members voted to not partner with Ian and the Food Security annual conference.	Chris to notify Ian McSweeney
6. Natural Resource Inventory Discussion	Janet would like us to provide more information about the development impacts at the habitat level in our Interdepartmental Review memos to the Planning Board and the Zoning Board. It is time to see if the other land use boards are interested in a Natural Resource Inventory.	Chris to set up dates with the Planning Board and the Historical Society in mid to late September to introduce and discuss Natural Resource Inventories. Audrey to prepare a summary outlining the Natural Resource
