

Town of Milford -

I'm writing you to see if you could put a sign coming up Mason Road (on both ways) before our driveway. We live on 417 Mason Rd and people speed on Rd -

traffic has increased very much and more traffic both ways.

We have almost been hit several times coming out of our driveway - as they fly around that corner and coming down Road very fast.

And no consideration to a Blind driveway.

We'd appreciate it very much as in winter sometimes hard to stop on hill with snow.

People fly by both ways -

very dangerous area.

Thank you

Susan Browning
