RE: ZBA Case # 2023-12 Special Exception for ADU
Map 30, Lot 84
84 Prospect Street
Milford, NH 03055

Dear Mr. Dolan,

We had an unfortunate turn of events which included a calendar scheduling error resulting in the property Owner, Linda Ledger and Myself / Fieldstone not attending the continuation of the ZBA hearing scheduled for the September 21, 2023 meeting. We would like to extend our apologies to you and the board members for the accidental oversight and respectfully request this hearing to be rescheduled to a date and time convenient for you and the Board. Per our discussion last week, we are anticipating that date to be October 19, 2023.

Please let us know if anything changes or get re-scheduled.

Sincerely,

Christopher A. Guida, CSS, CWS
Certified Soil & Wetland Scientist
