STAFF MEMO

Date: November 23, 2021
To: Planning Board
From: Jason Cleghorn, Town Planner
Subject: Amendments to Zoning Ordinance Article V, Section 5.04.0 Residence 'R' District
– Creation of an Estate Lot as a permitted use.

The purpose of this memorandum is to discuss amendments to the Milford Zoning Ordinance's *Article V Section 5.04.0 Residence "R" District* and *Article IV: Definitions* to create and establish the requirements for an Estate Lot. Estate Lots are residentially zoned parcels of ten (10) acres or more in size containing or proposed to contain a maximum of three single-family dwellings. The proposed amendments were introduced and discussed at the November 2nd Planning Board Work Session. At that meeting, the Planning Board suggested some substantive changes to the initial draft language including, but not limited to defining an estate lot, allowing Accessory Dwelling Units (via Special Exception Permit), establishing the maximum number of residences before requiring a subdivision, and Estate Lot title/ownership.

Staff has since incorporated the Board comments/changes and added a definition and new stand-alone subsection, Section 5.04.8 Estate Lots detailing the criteria and requirements for said use. In addition, the Board had asked Staff to provide the number and location of lots that would qualify as an Estate Lot. Upon further analysis, there are approximately 160 properties (excludes conservation land) in the Residential 'R' Zoning District that would currently be considered an Estate Lot based on lots 10 acres or greater. See attached Milford Zoning Map showing said eligible properties.

RECOMMENDATION:

At the conclusion of the discussion, if the Board is satisfied with the proposed amendment, the Board should vote to move to post and publish for the upcoming public hearing process. However, if more information and/or time is needed for review, the Board should continue the discussion to the next scheduled Work Session.
