

Milford NH Recycling and Solid Waste Committee Meeting Minutes

Jan 18, 2022

At Milford DPW Office South Street

1. Opening.

2. Approval of December Minutes

3. Old Business

A. New and Renewing Membes: Any updates or suggestions? Place on reader board now?

B. Installation of new signs? Removal of old wooden recycling sign on recycling building, unreadable sign across from recycling building about \$ saved from recycling, and other unreadable signs. Do we need any new signs (at gate) from NH the Beautiful?

B. Volunteer policy update

C. Safety issues:

D. Reopening of the Still Good Shed is April.

E. Printing copies of colored pamphlets of the Transfer station/Recycling pamphlet for distribution to local business? Is there a budget for this?.

. F. Schedule a time to fill our NHDES permit with Leo and submit map for composting.

G. Textile drive and composting education event Plan April 2022. Next steps?
Schedule Separate planning meeting via Zoom

H. Update on fee increases.

4. New Business

A. Wood and yard debris update

B. Education on Facebook. Following Waste Zero tips—suggestions for small changes people can make to reduce the waste generated in their homes and business.

C. Other Education opportunities:

5. Next meeting

The next meeting will be February 15, 2022 at 6:30 at the DPW Office on South Street.
