1 Shall the Town vote to raise and appropriate the gross project budget sum of Five Million Four Hundred Fifty Eight Thousand Dollars (\$5.460.000) for the construction and equipping of a new Library building and 2 3 expanded parking lot, associated site work, demolition of existing library building and other structures and 4 to authorize the Selectmen to raise this appropriation by accepting a donation from Library Trustee Trust 5 Funds in the amount of \$500,000 and borrowing not more than \$4,960,000 in bonds, bond anticipation or 6 notes, or notes therefore in accordance with the Municipal Finance Act (RSA 33) and, further, to authorize 7 the Selectmen to issue and negotiate such bonds, bond anticipation notes, or notes and to determine 8 conditions and the rate of interest thereon, such funding to be repaid from general taxation, and to author-9 ize the Selectmen and/or Library Trustees to contract for and expend any Federal or State aid that may be 10 available for this purchase, and to authorize the Selectmen and/or Library Trustees to take all other nec-11 essary action to carry out this project, said actions to include anything necessary to prepare said land so 12 that it would be available for the construction of such a facility and expanded parking lot including due dili-13 gence, site assessments and demolition of existing structures? This is a Special Article in accordance with RSA 32. Note: As this is for issuance of long-term debt, this vote requires, under State law, sixty 14 percent (60%) affirmative vote to pass. The Board of Selectmen does not support this Article (4-1). The 15 Budget Advisory Committee supports/does not support this Article (0-0). 16

Gil Archambault, Savage Road, asked if the Budget Advisory Committee has voted on this article? Chairman Daniels indicated he believes the BAC has not voted on any articles at this point. Matt Lydon, BAC Chairman, noted the dollar value on this article does not match the written out amount. Tina Philbrick, Executive Assistant, stated the correct amount should be \$5,460,000, apologizing for the error. There were no other comments.

Seeing no further questions, Chairman Daniels moved to the next article.

WARRANT ARTICLE 4 WEST ELM STREET WATER MAIN EXTENSION BOND - \$792,000

Chairman Daniels read the bond wording as follows:

30 Shall the Town vote to raise and appropriate the sum of Seven Hundred Ninety Two Thousand (\$792,000) 31 Dollars to install 3,300 linear feet of 12 inch water main along Elm Street from a starting point 1,100 linear 32 feet west of the intersection of Route 101/Route 101A to the Wilton Road intersection and to authorize the 33 Selectmen to raise this appropriation by borrowing not more than \$792,000 in bonds, bond anticipation notes, or notes therefore in accordance with the Municipal Finance Act, (RSA 33) and, further, to authorize 34 35 the Selectmen to issue and negotiate such bonds, bond anticipation notes, or notes and to determine 36 conditions and the rate of interest thereon, such funding to be repaid from income received from water users provided that such bonds or notes shall be the general obligation of the Town and to authorize the 37 38 Water and Sewer Commissioners and or the Board of Selectmen to contract for and expend any Federal or State aid that may be available for this project and to take all other necessary actions to carry out this 39 40 project? The project will improve fire protection and provide municipal water to properties located in this 41 101 West corridor. **Note:** As this is for issuance of long-term debt, this vote requires, under State law, 42 sixty percent (60%) affirmative vote to pass. The Board of Water & Sewer Commissioners supports this article (3-0). The Board of Selectmen supports this Article (5-0). The Budget Advisory Committee sup-43 44 ports/does not support this article (X-X). 45

Gil Archambault, Savage Road, asked if it is fair that the water users must pay for this but that people who are on wells do not pay but they do vote on this. Mr. Archambault does not think it is fair. Bob Courage, Water Commissioner, indicated the water and wastewater departments are run by a Commission, however the town owns both the water and sewer departments. We are in a precinct, they have a special town meeting to approve their budget and warrant articles. There is no tax impact. The voters of the town have the right to vote on these articles, you are right that non-users could vote in favor of this and do not have to pay. There were no further comments.

TOWN BUDGET HEARING

Chairman Daniels read the article as follows and then turned the budget hearing over to Town Administrator Mark Bender :

WARRANT ARTICLE 6 TOWN OPERATING BUDGET - \$13,785,044

25 Shall the Town vote to raise and appropriate, as an operating budget not including appropriations by Spe-26 cial Warrant Articles and other appropriations voted separately, the amounts set forth on the budget in an 27 amount totaling Thirteen Million, Seven Hundred Eighty Five Thousand, and Forty Four (\$13,785,044) Dol-28 lars? Should this Article be defeated, the operating budget shall be Thirteen Million, Six Hundred Sixty Three Thousand, Six Hundred and Seventy Eight (\$13,663,678) Dollars which is the same as last year, 29 30 with certain adjustments required by previous actions of the Town, or by law, or the governing body may 31 hold one special meeting, in accordance with RSA 40:13 X and XVI, to take up the issue of a revised op-32 erating budget only. This is a Special Warrant Article in accordance with RSA 32. The Board of Select-33 men supports this Article (4-1). The Budget Advisory Committee supports/does not support this Article (0-34 0). 35

Town Administrator Mark Bender provided a brief presentation on the budget for 2015, noting that he joined the town staff in December and he credited the Department Heads, Jack Sheehy, the Board of Selectmen, and the BAC for coming up with this budget, with a 5.8% increase over the 2014 budget. Of that increase, 84% is already included in the default budget. After reviewing each department, Mr. Bender asked for questions or comments

Gil Archambault asked why elections and registrations are different, aren't those people all volunteers? Jack Sheehy indicated the number of elections in a given year will change, which is reflected in the budget, as they are not all volunteers and there are other expenses associated with the elections, in 2015 there will only be one election. Peter Basiliere, Moderator, asked about the MACC console, which reminded him about the light outside of Bales School and asked when that will be fixed. Rick Riendeau responded that we are looking at about an \$8,000 fix and we are getting those quotes right now. Mr. Basiliere noted it has been broken for over a year and it should be fixed. There were no further questions.

There were no further questions.

51 One gentleman, asked "who is this man?" pointing to Mr. Bender. Chairman Daniels answered that is the new Town 52 Administrator. He then asked where does he live? Mr. Bender said he lives in Amherst. The gentleman said he 53 should leave now, the person working on the budget in Milford should live in Milford. Gil Archambault, commented 54 that the comment was out of order.

 (\$175,000) to be placed in the Bridge Replacement Capital Reserve Fund? The Board of Selectmen supports this Article (5-0). The Budget Advisory Committee supports/does not support this Article (0-0).

Gil Archambault asked why isn't this in the CIP. Chairman Daniels said it is in the CIP, but the amount in the CIP is \$290,980 and the Board voted to lower that to \$175,000. Seeing no further questions or comments, Chairman Daniels moved to the next article

- WARRANT ARTICLE 11 DUMP TRUCK (8 CUBIC YARD) 5-YEAR LEASE/PURCHASE -\$39,050 (Annual Payment \$39,050/Total Purchase Price \$185,000)
- 18 Chairman Daniels read the warrant article as follows:

20 Shall the Town vote to authorize the Board of Selectmen to enter into a 5-year lease/purchase agreement, 21 subject to a fiscal funding clause which will protect the Town in the event of non-appropriation, for the pur-22 pose of lease/purchasing a Dump Truck (8 cubic yard), with the appropriate equipment for Highway Department operation (it will replace the 2000 Sterling Dump Truck that is no longer in service with the High-23 24 way Department) and to raise and appropriate the sum of Thirty Nine Thousand Fifty Dollars (\$39,050) Dollars for the first year's payment for this purpose? The total purchase price of this vehicle is One Hun-dred and Eighty Five Thousand (\$185,000) Dollars. If this article passes, future years' payments will be 25 26 27 included in the operating budget. This is a Special Warrant Article in accordance with RSA 32. The Board 28 of Selectmen supports this Article (3-2). The Budget Advisory Committee supports/does not support this 29 Article (0-0). 30

Rick Riendeau, DPW Director commented that this truck will replace the 2000 Dump Truck.

33 Seeing no further questions or comments, Chairman Daniels moved to the next article.

WARRANT ARTICLE 12 – SIDEWALK TRACTOR PLOW – 5-YEAR LEASE/PURCHASE -\$31,650 (Annual Payment \$31,650/Total Purchase Price \$150,000)

38 Chairman Daniels read the warrant article as follows:

39 40 Shall the town vote to authorize the Board of Selectmen to enter into a 5-year lease/purchase agreement, subject to a fiscal funding clause will protect the Town in the event of non-appropriation, for the purpose of 41 lease/purchasing a Sidewalk Tractor Plow, and to raise and appropriate the sum of Thirty One Thousand 42 43 Six Hundred and Fifty Dollars (\$31,650) Dollars for the first year's payment for this purpose? The total purchase price of this vehicle is One Hundred and Fifty Thousand Dollars (\$150,000). If this article pass-44 45 es, future years' payments will be included in the operating budget. This is a Special Warrant Article in accordance with RSA 32. The Board of Selectmen does not support this Article (2-3). The Budget Adviso-46 47 ry Committee supports/does not support this Article (0-0). 48

- Bob Courage indicated the current sidewalk plow is 15 years old, and asked why the Board of Selectmen does not support this article; we have 14-15 miles of sidewalk in town. The purpose of having two sidewalk plows is to have the sidewalks open for pedestrians and if there is an equipment failure, we would have a back up. It seems that this
- 52 is a needed piece of equipment. Jack Sheehy said it will cost \$02.5 per thousand for taxpayers. Mr. Courage thinks

this article should be supported. The purpose of tonight's meeting is to get input so that the Board of Selectmen can make their recommendation and Mr. Courage asked that the Board give this consideration.

Selectman Bauer indicated the vote was split 3-2 against this warrant article, she appreciates what Mr. Courage said and agrees this equipment is needed.

Seeing no further questions or comments, Chairman Daniels moved to the next article.

WARRANT ARTICLE 13 SOCIAL SERVICES - \$35.000

Chairman Daniels read the warrant article as follows:

13 Shall the Town vote to raise and appropriate the sum of Thirty Five Thousand (\$35,000) Dollars for the 14 purpose of providing funding to Social Service agencies for Milford residents or take any other action rela-15 tive thereto? This is a Special Article in accordance with RSA 32. The Board of Selectmen supports this Article (4-1). The Budget Advisory Committee supports/does not support this Article (0-0). 16

18 Seeing no questions or comments, Chairman Daniels moved to the next article.

WARRANT ARTICLE 14 CONSERVATION LANDS FUND - \$30,000

22 Chairman Daniels read the warrant article as follows:

23 24 Shall the Town vote to raise and appropriate the sum of Thirty Thousand (\$30,000) Dollars for the purpose 25 of adding it to the Conservation Land Fund created in accordance with RSA 36-A, said land fund being 26 allowed to accumulate from year to year and to be available for the acquisition of property, conservation 27 easements and other RSA 36-A allowable purposes, or take any other action relative thereto? This is a 28 Special Warrant Article in accordance with RSA 32. The Board of Selectmen does not support this Article 29 (2-3). The Budget Advisory Committee supports/does not support this Article (0-0).

31 Audrey Fraizer, Conservation Commission Chair, indicated the Commission changed this article to \$20,000 which 32 would bring the account balance to \$50,000 which is not a significant amount. Ms. Fraizer presented warrant article 33 language to the Board of Selectmen, noting they are not changing language, but only the amount. Chairman Daniels 34 noted that the RSA 32 reference was not included? Ms. Frazier responded that the only thing that should change is 35 the amount to \$20,000.

37 Seeing no further questions or comments, Chairman Daniels moved to the next article.

WARRANT ARTICLE 16 NON-EMERGENCY COMMUNITY TRANSPORTATION BUS SERVICES - \$20,000

14 Chairman Daniels read the warrant article as follows:

15 16 Shall the Town vote to raise and appropriate the sum of Twenty Thousand, (\$20,000) Dollars for the purpose of providing the Town's share of funding to the Souhegan Valley Transportation Collaborative 17 (SVTC) in order to continue operating a regional, non-emergency, wheelchair-accessible transportation 18 service providing rides within the designated service area to seniors, people with disabilities, and the gen-19 20 eral public, or take any other action relative thereto? This is a Special Article in accordance with RSA 32. 21 The Board of Selectmen supports this Article (5-0). The Budget Advisory Committee supports/does not 22 support this Article (0-0). 23

WARRANT ARTICLE 17 PUMPKIN FESTIVAL, HOLIDAY DECORATIONS AND PLANTINGS - \$20,000

Chairman Daniels read the warrant article as follows:

Shall the Town vote to raise and appropriate the sum of Twenty Thousand (\$20,000) Dollars for purposes of Pumpkin Festival support by Public Works, Police, Fire, and Ambulance Departments; purchase and planting of flowers for the Oval and Stone Bridge areas; purchase of lights, garland, etc. for holiday decorations; or take any other action? The Board of Selectmen supports this Article (5-0). The Budget Advisory Committee supports/does not support this Article (0-0).

Robert Frances Moulton, the gentleman that commented earlier regarding the Town Administrator, said he is very proud of what has been done for this Pumpkin Festival here in Milford. Everyone works together for this event. Mr. Moulton said he goes out and people are out talking and having a good time in our town. People come to see who we are; whatever it takes, this event should be a go!

WARRANT ARTICLE 18 FUNDING OF THE ANNUAL LABOR DAY PARADE – \$10,000

Chairman Daniels read the warrant article as follows:

Shall the Town vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000), the purpose of this appropriation is to fund bands, musicians and other allied expenses directly attributed to the annual Labor Day Parade? This is a Special Article in accordance with RSA 32.. The Board of Selectmen supports this Article (5-0). The Budget Advisory Committee supports/does not support this Article (0-0).

Mr. Moulton again said whatever it takes for this event; he is so proud of Milford, he walks a lot and he visits all of the memorials, we do it right, we celebrate all our hard work, whatever it takes for this one is great! Gil Archambault, Savage Road, stated as a member of the VFW, if we get any donations for this, any money, we will reduce the \$10,000 and the value of this warrant article will be adjusted. Right now we are trying to cut the number down but it might not happen until July or August. Vice Chairman Fougere noted that whatever not used in the fund would go into the General Fund.

WARRANT ARTICLE 19 SUMMER BAND CONCERTS - \$9,000

Chairman Daniels read the warrant article as follows:

Shall the Town vote to raise and appropriate the sum of Nine Thousand (\$9,000) Dollars for the purpose of holding the traditional summer evening Band Concerts (bands, sound system, crossing detail), or take any other action relative thereto? This is a Special Article in accordance with RSA 32. The Board of Selectmen supports this Article (5-0). The Budget Advisory Committee supports/does not support this Article (0-0).

Robert Moulton thinks we should put as much into band concerts as we put into everything else. We should put it at \$10,000 because music is what it is all about. People will come, musicians will come. Mr. Moulton said he has friends that are touring and would love to play at Emerson Park to make an event in this town; he said he does not know how this process works, but he wants the music in the park. Chairman Daniels indicated after the meeting is adjourned, the Board of Selectmen can talk about details. Selectman Bauer asked if anyone remembers how many concerts were held last year? Arene Berry, Recreation Director, said there were nine last year and the year before. There is one concert a week between July 4 until when school starts. There were no further questions or comments.

WARRANT ARTICLE 20 FIREWORKS - \$8,750

48 Chairman Daniels read the warrant article as follows:

50 Shall the Town vote to raise and appropriate the sum of Eight Thousand Seven Hundred and Fifty 51 (\$8,750) Dollars for the purpose of providing a 4th of July celebration (\$8,250) fireworks display and 52 (\$500) activities at a time and location to be determined by the Board of Selectmen, or take any other ac-53 tion relative thereto? This is a Special Article in accordance with RSA 32. The Board of Selectmen sup-54 ports this Article (3-2). The Budget Advisory Committee support/does not support this Article (0-0).

Chairman Daniels indicated the \$500 addition to this warrant article is for the 50th celebration of the Keyes pool. Robert Moulton said the fireworks bring the town together, we have our memorials and our parades to celebrate being free; he is so impressed by the fireworks each year and we should keep that.

WARRANT ARTICLE 21 MEMORIAL, VETERANS & LABOR DAY PARADES AND RECOGNITION - TOWN SUPPORT - \$6,000

Chairman Daniels read the warrant article as follows:

Shall the Town vote to raise and appropriate the sum of Six Thousand (\$6,000) Dollars for the purpose of Town support relative to the observance of Memorial, Veterans and Labor Day? These funds shall be used to cover parade costs incurred by Public Works, Police Department and other Town departments, and to purchase flags to be placed on the graves of veterans on Memorial Day. Departmental support costs and materials associated with the provision of these services will be charged against this appropriation. This is a Special Article in accordance with RSA 32. The Board of Selectmen supports this Article (5-0). The Budget Advisory Committee supports/does not this Article (0-0)

20 Gil Archambault, Savage Road, would like the town to look and see if this is an accurate number, he asked that ques-21 tion last year and never got an answer but he thinks it could be lowered by about \$1,500. Jack Sheehy looked at it 22 and it depended on the year, it fluctuates between \$4,000 and \$6,000, this is for town support and whatever those 23 costs are. Over the last four years, Chairman Daniels said there was one year it hit \$6,000, another year it was 24 \$4,700 and then \$4,300. We will add in the \$300 for the flags. Robert Moulton said the Veteran's are what it is all 25 about, my father is a veteran, I did not have to fight, these people fought, ISIS is real, they are not playing games, so 26 people willing to serve and put their lives on the line for use should be thanked. We should honor them with what-27 ever it takes.

WARRANT ARTICLE 22 JONES ROAD OPENING - \$0

33 Chairman Daniels read the warrant article as follows:

34 35 Shall the town vote to authorize the Board of Selectmen and DOT (Department of Transportation) to nego-36 tiate the re-opening of the intersection of Jones Road at Elm Street, to accommodate eastbound traffic 37 only, no left turn from Jones Road on to Elm Street? In 1995, the Town of Milford received a request from the Boston & Main Corp. of support for the closing of Jones Road at its westerly intersection with Elm 38 Street at which point the roadway crossed the railroad, a crossing that had developed into a dangerous 39 40 intersection. As a result of this petition from Boston & Maine Corp. to the State of New Hampshire, the Town of Milford received an Order from the Department of Transportation to close this intersection. This 41 was approved at the March 1996 Town Meeting and the roadway was subsequently closed. It's westerly 42 43 end forms a curve with Savage Road at this Point. The Board of Selectmen supports this Article 50-0). 44 The Budget Advisory Committee support/does not support this Article (0-0). This Article has no tax im-45 pact.

46

Chairman Daniels indicated this intersection was closed by a vote in 1995, so to re-open it requires a vote by the people, we might alleviate some traffic at the Route 101/101A intersection by doing this; we are trying to time it so that it could be done at the same time that the State widens 101 from the green bridge down to the Irving station.

52 53

56 Chairman Daniels read the warrant article as follows:

\$0

1 2 3 4 In order to raise revenue, shall the Town vote pursuant to the authority of RSA 41:14-c & RSA 41:14-a, to authorize the Board of Selectmen to sell or otherwise dispose of any existing mineral interests, earth materials or other natural resources located on that portion of the Town owned property that is commonly 5 6 known as the BROX property, that is currently zoned Residential "R", (said property currently zoned as Residential "R" being known as Tax Map 38, Lot 58 and Tax Map 38, Lot 17), on such terms and condi-7 tions, as the Selectmen deem appropriate for such sale or other disposition and generally consistent with 8 the Brox Community Lands Mining Feasibility Study produced by Fieldstone Land Consultants? All reve-9 nue received from the sale of such materials shall be deposited in the General Fund. Any agreement en-10 tered into by the Selectmen relative to the sale or other disposition of said materials shall contain language 11 which shall require the compliance with any statute, land use codes or their regulations which govern such 12 activity. The Board of Selectmen supports this Article (4-1). The Budget Advisory Committee sup-13 port/does not support this Article (0-0).

14 Bob Courage asked if the test pits were dug to determine the amounts of gravel? Vice Chairman Fougere said yes, 15 40 test pits were dug for that reason, it is broken into three phases. One phase is near the pond but it was decided to 16 leave that alone. We believe the selling price is \$1.25 per cubic yard; if voters agree with us this year, we would 17 obtain a site specific permit from the State and then go out to bid. Access would be by Perry Road. Bob Courage 18 said the town bought this property in 2001 and we said there was about \$1 million yards of material there. This has 19 to be put out to bid, but is there a way of keeping track of what is being taken? Vice Chairman Fougere said that is 20 important to track, the whole property has been surfaced and we will have to verify every six months to regrade. 21 Bob Courage said there was also a Master Plan done for residential/Rural to be used for future town facilities. We 22 would be using some materials for that. The industrial portion of the land was to be marketed. Mr. Courage thinks 23 some of this material would be used for the site work for roads and building sites. Mr. Courage does not think we 24 should sell all of these materials, we should keep it for future use; DPW, town facilities, and the wildlife habitats out 25 there. We should not just be taking all of the material at this point in time. This land should serve the town for many 26 years to come and the gravel and material is going to be harder to get in the future, so Mr. Courage hopes the voters 27 carefully consider this. He does not think it is a good deal for the town. 28

Vice Chairman Fougere noted this has three phases and the Board decided to not go into Phase II so that it can be protected. It is a valuable commodity that can help with the taxes. This is to help offset our taxes. Robert Moulton said he can give the town \$8 million and then no Milford land will be taken; no land leaves Milford for no money.

Bert Becker indicated some of the property is zoned residential, will it still be when this material is taken out? Vice Chairman Fougere said yes, the zoning is not changing. Mr. Becker said the zoning may not change but a lot of trees will come down. Vice Chairman Fougere said if a school or cemetery is built, that will disturb the environment as well. This land will not stay untouched. The zoning will not change. But the condition of the land will change, said Mr. Becker. Vice Chairman Fougere responded that is true, but with any development the land will change.

39 Audrey Fraizer, Conservation Commission, asked why this is a \$0 warrant article, asking if there is a need for infra-40 structure? Vice Chairman Fougere said there is an existing access road to Perry Road now. Ms. Fraizer asked if that 41 access road will support those large trucks? Vice Chairman Fougere said it will. Ms. Fraizer commented that the 42 Board has voted to not pursue the Phase II portion of the excavation, could the warrant article be modified to ex-43 clude that? Ms. Fraizer also asked where the funds would go in comparison to just going into the General Fund? 44 Selectman Putnam believes the money can only go into the General Fund. Jack Sheehy, Finance Director, added that 45 the town cannot designate that money to go anywhere specific, it has to be a certain amount and there needs to be a 46 town vote to do that with the specific amount. Peg Seward, BAC, indicated in the draft warrant article, there were a 47 lot more words with the expiration, etc. but the warrant article now does not have any of that, why was it taken out? 48 Vice Chairman Fougere said the statute was not necessary to be in the warrant article, we could put it back in, but 49 having the time limits might make it less marketable to a private business. 50

Jim Roccio, Stonewall Drive, read the previous draft and is concerned with the timeframes being taken out; he does not think that timeframe is a long time to tie up any contractor. It might be in a period of a bad economy, but business is now picking up, so people will want to buy this type of material. Mr. Roccio thinks there should be a time period in the warrant article.

WARRANT ARTICLE 24 RESCINDING SOLAR EXEMPTION - \$0

Chairman Daniels read the warrant article as follows:

5 Shall the town vote to discontinue current exemptions per the provisions of RSA 72:62 for property tax 6 exemption on real property equipped with a solar energy heating or cooling system which exemption shall 7 be in an amount equal to the cost of the solar energy heating or cooling system? RSA 72:61 Definition of Solar Energy System means a system which utilizes solar energy to heat or cool the interior of a building 8 or to heat water for use in a building and which includes one or more collectors and a storage container. 9 "Solar Energy System" also means a system which provides electricity for a building by the use of photo-10 voltaic panels. The Board of Selectmen supports this Article (4-1). The Budget Advisory Committee sup-11 12 port/does not support this Article (0-0). This Article has no tax impact. 13

14 Chairman Daniels explained back in 1975 the town adopted an exemption for a solar energy system; back then the 15 wording was different, we currently have two families in town with these systems and they currently have an annual 16 exemption off their assessment equal to the cost of the solar equipment when originally purchased. This warrant 17 article is to discontinue that exemption. The Board did not feel it appropriate that someone that installed the system 18 would get an exemption for that cost, and that everyone else must pick up those taxes.

Rob Moulton does not know how long in the future it will be, but said that everything will be powered by the sun.
Anybody that wants to power their home by solar, should be given the money to do it, it is the only thing we can depend on. We need renewable energy, and Mr. Moulton has a problem with taking this away. Take away all of the parades and fireworks to give the money to this.

24

35

36 37

Bert Becker, BAC, suggested instead of changing this, can we just limit the amount of the deductible until the amount of the investment has been deducted? That would encourage people to use solar energy. Chairman Daniels believes that the IRS offers a deduction through their Federal taxes.

Peg Seward asked if the BAC could get an idea of how much we are talking about? For deliberative session could we get that figure? Chairman Daniels indicated there are only two families that get this exemption, it is more the way it is set up and that they get it every year. Once this is off the books, we can revisit it to get a new one written and back on the books.

WARRANT ARTICLE 25 BUDGET COMMITTEE CHARGE - \$0

38 Chairman Daniels read the warrant article as follows:

39 40 Shall the Town vote to update the charge of the Town Budget Committee from its charge voted by the town on March 5, 1974 so that the Town Budget Committee shall henceforth be known as the Town 41 42 Budget Advisory Committee, which shall be a committee of nine, appointed annually by the moderator 43 prior to October 1, whose duty it shall be to make recommendations during the Annual Meeting process 44 on all items on the warrant that produce a tax impact, and to present their findings and recommendations 45 in a printed report, which shall be submitted to the Board of Selectmen in compliance with the statutory 46 timeline established for towns that have adopted Official Ballot Voting under the provisions of RSA 40:13, 47 and further that said Committee shall be available throughout the year for consultation and advice, shall serve without compensation, and shall meet jointly with the School Budget Committee at least once prior 48 49 to submitting its report to discuss items of mutual interest? The Board of Selectmen supports this Article 50 (4-0). The Budget Advisory Committee support/does not support this Article (0-0). This Article has no 51 tax impact.

52

53 Chairman Daniels explained that the Board of Selectmen voted on this tonight; we are trying to acknowledge that the 54 charge exists as it was set in 1974 but since then we have changed to official ballot voting. This warrant article is an 55 attempt to update the charge to reflect what the BAC does today. Peter Basiliere, Moderator, asked if Special Meet-56 ings should be noted in the warrant article as well? Chairman Daniels took that under consideration.

Chairman Daniels indicated the public hearing for the 2015 Bond & Budget is now complete. Selectman Federico moved to adjourn this Budget & Bond Hearing at 7:55 p.m. Vice Chairman Fougere seconded. All were in favor.
