

## **Town Status Report – January 28, 2019**

### **Town Hall Office Relocations**

Residents will notice a few office relocations at Town Hall. This project started last year and we are nearing completion.

The assessing office is now located near the elevator, still on the 2<sup>nd</sup> floor.

The town clerk's office is now in the old assessing office, adjacent to the Board of Selectmen meeting room.

The tax collector will be moving to the town clerk space when renovations are complete in a few weeks.

We thank everyone for their patience during the work.

### **Sale of Tax Deeded Property**

As authorized by the selectmen, we are moving forward to accept sealed bids for the two small town owned parcels on McGettigan Road. The minimum acceptable bid will be the assessed value of \$6,100. The bid notice will be in the Cabinet this week with a bid due date of Monday, February 18.
