

Town Status Report – July 29, 2019

Paving Update – We want to thank residents for their patience during our summer roadwork. This week we will be top paving Prospect, Webster, Clinton and South Streets. This will be followed by Ford, King, George and West Streets. Nashua Street will be mill and paved later in August.

2020 Operating Budget – Just a heads up, we are starting the 2020 budget process, our favorite time of the year. Finance Director Paul Calabria will join us at the August 19 meeting to solicit board input/guidance for the operating budget and warrant articles.
